Dear Community Partner:

Central Alabama Veterans Health Care System would like to extend to you an invitation to participate in the 2018 Stand Down for Homeless and Underserved Veterans on April 14, 2018 from 9:00 a.m. to 4:00 p.m. EST. The Stand Down will be held at the AJ McClung Memorial Stadium, 600 Veterans Parkway, Columbus, Georgia.

Stand Down is designed to enhance the continuum of care for homeless Veterans, provided by the local Department of Veterans Affairs (VA) Medical Center and its surrounding community service agencies. The guiding principle is that no single agency can provide the full spectrum of services to help homeless Veterans become productive members of society. Our goal is to enhance coordinated services by bringing VA together with community agencies and other federal, state, and local governments who provide services to homeless and underserved Veterans.

“Stand Down” will provide an opportunity to access medical care from the VA and other community health care agencies. “Stand Down” will allow VA staff and others to reach out and show that we care. “Stand Down” will also have an opportunity for links to employment, housing, educational resources, psychological counseling, clothing and food.

This is also a great opportunity to connect and partner with other community agencies, as we seek to end homelessness and aid underserved Veterans. Your participation is valued and needed. For additional information, please contact Mikal Sabree, LICSW, HCHV Coordinator at (334) 558-8599 or Ian Reed, LICSW, Acting Manager, Homeless Programs at (334) 450-5639.

Sincerely,
